This courtesy notice is to advise you of action taken on this case. The official notice has been mailed to the attorney or representative indicated above. Any relevant documentation included in the notice was also mailed as part of the official notice.

The above petition has been approved, and notification has been sent to the listed consulate. You may also send the tear-off bottom part of this notice to the worker(s) to show the approval. Please contact the consulate with any questions about visa issuance. THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

Petition approval does not authorize employment. When the workers are granted status based on this petition they can then work for the petitioner, but only as detailed in the petition and for the period authorized. Please contact the IRS with any questions about tax withholding.

If circumstances change, the petitioner can file Form I-824 to have us notify another consulate of this approval. If any of the workers are already in the U.S. the petitioner can file a new Form I-129 to seek to change or extend their status based on this petition. Changes in employment also require a new petition. Include a copy of this notice with any other required documentation.

If any of the worker(s) included in this petition do not actually enter the United States, substitutions of different workers are not made, the petitioner must notify this office so the allocated nonimmigrant visa numbers can be re-used.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
